# OPEN AIR SPACES

All our outdoor spaces share one spectacular feature—an unbeatable beachfront setting with breathtaking, uninterrupted sea views.

Our beachfront South Terrace sits just steps away from the beach, directly overlooking Brighton’s iconic West Pier. With its vibrant atmosphere and high footfall along the promenade, this location is ideal for brand activations, product promotions, or stunning photo shoots.

Alternatively, The Deck offers a unique elevated experience. This expansive wooden terrace surrounds the pod and tower, providing exceptional panoramic sea views. Perfect for outdoor drinks receptions, weddings, parties, exhibitions, or brand events, The Deck is both versatile and memorable.

For something more intimate, the terrace bar boasts one of Brighton’s few elevated sun terraces. Set within the beautifully reconstructed West Pier Toll Booth, the bar opens onto a private terrace perched above the beach—an idyllic setting for summer parties or wedding receptions.
