AN OPEN LETTER TO GLORIA

Dear Gloria

As you and I well know, our marriage was over long before the advent of L.S.D. or Yoko Ono...and that's reality!

Your memory is impaired to say the least. Your version of our first L.S.D. trip is rather vague, and you seem to have forgotten subsequent trips altogether!

You also seem to have forgotten that only two years ago, while I was separated from Yoko, you suddenly brought Julian to see me in Los Angeles after three years of silence. During this visit, you hardly allowed me to be alone with him for one moment. You even asked me to remarry you and/or give you another child, "for Julian's sake". I politely told you no, and that, anyway, I was still in love with Yoko, (which I thought was very "down to earth").

There were no detectives sent to Italy. Our mutual friend Alex Mardas went to Bassanini's Hotel to see how you were, as you said you were too ill to come home...

Finally, I don't blame you for wanting to get away from "Beatle" past. But if you are serious about it, you should be looking for magazines and newspapers:
