MARTINI CHIP SHOP

THE ADULT HAPPY MEAL

Few things complement a crisp, ice-cold martini quite like a bowl of hot, salted fries.

Gaining popularity in New York, it's a pairing that has quickly become a modern classic. The clean character of a martini cuts through the richness of the fries, with the salt bringing out the botanicals of the gin or the clarity of the vodka.

It's the perfect match proving that some of the best pairings are also the simplest.
