Introducing your *New Energy Partner*

Introduction

Supporting You to Reduce Costs and Simplify Energy

As part of Stonegate's pub partners ongoing commitment to supporting publicans, we are pleased to introduce a new energy partnership designed to help you manage and reduce your energy costs more effectively.

We have been selected as Stonegate's **approved energy partner**, working alongside other key service providers to deliver practical, cost saving solutions across the estate.

What this means for you

This partnership has been designed to make energy management:

- **Simpler** – One trusted partner aligned with Stonegate
- **More cost effective** – Competitive pricing and ongoing review
- **Fully supported** – Dedicated team to guide you through the process

Whether you are an existing publican or a new incoming tenant, this service is built to support you from day one.

Key Benefits

Cost Savings

Access to competitive energy rates and ongoing optimisation

Hassle Free Process

We manage the switch and onboarding for you

Dedicated Support

A team on hand to manage your energy requirements

Ongoing Review

Ensuring you continue to receive the best possible value

How It Works

1. Initial Review
2. We assess your current energy setup
3. Recommendation
4. We present the most suitable options for your site
5. Simple Switch
6. We handle the full transition process
7. Ongoing Management
8. Continuous monitoring and support

Part of a Wider

Support Package

This energy solution forms part of Stonegate's wider initiative to support pubs across four key areas:

- Energy
- Waste
- Water

All selected to help improve profitability and operational efficiency.

Getting Started

Getting started is simple.

Our team will guide you through the process and answer any questions you may have.

Next Steps:

- Look out for further communication from Stonegate pub partners
- Or contact us directly to begin your review
